

Univerza v Ljubljani

CEEPUS LEADERSHIP ACADEMIA FOR STUDENTS 13-23 JUNE 2018, MARIBOR, SLOVENIA

Preliminary program

Wednesday, 13.06.2018

10:00-12:00 **Registration, Organizational activities**

12:00 - 13:00 **Lunch break**

13:00-15:00 **Guided tour in laboratories in University of Maribor**

Thursday, 14.06.2018

9:30-11:30 **Who are the students in the CEEPUS Network CH-BG-1103-02-1718: Modelling, Simulation and Computer-aided Design in Engineering and Management? Updated results and analysis on the Survey on students interests in topics offered by the teachers in the network**

Assoc. prof. Dr. Galia Marinova, Technical University, Sofia, Bulgaria, Network Coordinator

11:30-13:00 **Forming teams with 2-3 international students. Distribution of topics for team projects**

List of topics for team projects:

1. Web site development for the CEEPUS Leadership Academy in Free Web site developer (ex:Wix).
2. What motivates/demotivates me to become engineer and/or manager?
3. Impact of international exchange, programs like Erasmus and CEEPUS on students motivation to study engineering and management
4. What I want to study in Engineering and/or Management?
5. What are the expectations and the inspiration to study Engineering and Management? What's the case for young women?
6. How studying Engineering and/or Management will help me to influence social, ecological and political development?
7. The importance for Engineering and Management Studies for my country and for Europe.

Possible means to develop the projects: Survey with students in Slovenia, in home country, online Survey, interviews and personal study and observations. Preliminary preparation before arriving to Slovenia is encouraged. Written project and presentation are expected.

13:00 - 14:00 **Lunch break**

14:00 – 17:00 **Courses in University of Maribor; Guided tour in laboratories**

Friday, 15.06.2018

10:00-13:00 **Work on team projects in University of Maribor**

13:00-14:00 **Lunch break**

14:00-17:00 **Meeting with IEEE- Maribor-student branch on the organization of the round tables**

Saturday, 16.06.2018

10:00-13:00 **Consultations on team projects with assoc. prof. Galia Marinova and Ms. Dimitrinka Margenova;**

Sunday, 17.06.2018

Free program

Monday, 18.06.2018

10:00 – 11:00 **Erasmus+ program and international exchange – a key point in student's motivation and successful career in engineering and management**

Dimitrinka Margenova, International cooperation and integration, TU-Sofia, Bulgaria

11:00 – 12:00 **Best practices in management and leadership**

Prof. Dr. Edmond Hajrizi, Rector of UBT, Pristina, Kosovo

12:00 – 13:00 **Decision Support in Engineering, Management and Social Activity**

Assoc. prof. Dr. Vassil Guliashki, IICT-BAS, Sofia, Bulgaria

13:00 – 14:00 **Lunch time**

14:00 – 17:00 **Consultations on team projects with assoc. prof. Galia Marinova and Ms. Dimitrinka Margenova;**

Tuesday, 19.06.2018

10:00-13:00 **Round table on motivation to study engineering and management. Presentation of team projects. Discussion**

Chair G.Marinova

13:00-14:00 **Lunch time**

14:00-16:00 **Round table "Young professionals and women in engineering, science and business" co-organized with IEEE- Maribor-student branch**

Chair: Lucija Brezočnik, PhD and Assistant prof. Aleš Zamuda, PhD

Presenters:

- **Ales Breznik, B.Sc.** in mechanical engineering (as IEEE student brunch Maribor president and as a young professional with many practical experiences in engineering and business)
- **Mateja Uranjek**, company IP d.o.o. from Slovenia
- **Assistant prof. Aleš Zamuda, PhD**, Vice chairman of IEEE -Slovenians section and representative of young professionals of IEEE-Slovenian Section.
- **Lucija Brezočnik, PhD** as women of engendering representative of IEEE Slovenian Section
- **Assoc. Prof. Peter Planinšič, PhD**, from April 2018 the president of union of engineering associations in Maribor.

16:00-17:00 **Conclusive document elaboration to be shared in the CEEPUS network "Modeling, Simulation and Computer-aided design in Engineering and Management"**

Wednesday, 20.06.2018

10:00-13:00 **Preparation of Poster of the CEEPUS Leadership Academia to be presented at the Conference IWSSIP 2018**

13:00-14:00 **Lunch time**

14:00-17:00 **Preparation of Poster of the CEEPUS Leadership Academia to be presented at the Conference IWSSIP 2018**

Thursday, 21.06.2018

Attending Tutorials and Key note lectures at IWSSIP 2018

Friday, 22.06.2017

Presentation of the Poster of the CEEPUS Leadership Academia to IWSSIP 2018

Saturday 23.06.2017

Final arrangements of the CEEPUS student's mobility
